## A Resolution Regarding the Need for an On Campus Child Care Facility

**WHEREAS**, Northeastern State University at Broken Arrow is marketed as a school for working adults; and,

**WHEREAS**, these students have a difficult time arranging daycare schedules to fit their class needs to further their education.

### **NOW THEREFORE, LET IT BE RESOLVED by the NSGA/BA:**

**THAT**, we request the university implement a plan to open a facility to watch currently enrolled students' children; and be it further,

**THAT**, we request the university charge a fair and reasonable fee for the use of this service comparable to fees charged outside; and be it further,

**THAT**, the facility be staffed by currently enrolled students, under the supervision of a licensed individual, who would benefit from the learning experience gained; and be it further,

**THAT**, said individuals be compensated through on campus work experience.
