

Order Form for Learning Styles Inventories

Thank you for your interest in Learning Styles! OIL can provide and process the Dunn & Dunn Learning Styles Inventory for persons 3rd grade through adulthood. For a fee of \$2.00 per test, OIL will **supply, score and provide a one page graphic profile** on each test taken. This is recommended for those experienced in interpreting the Learning Styles Inventory. For a fee of \$3.00 per individual test, OIL will **supply, score, and provide a one page graphic profile and a summary narrative of what is needed for each learner to succeed**. This is recommended for those who may be novices at interpreting the Learning Styles Inventory and is an excellent tool for educating parents of the Learning Styles Process.
