General Topics

Open

Title: Survival Tactics for the First Year Teacher

Description: Effective classrooms are built on a strong foundation. This workshop provides practical hands-on suggestions for successful classroom management, organization and instructional planning. During the session, professional educators will be enlightened on how to create a learning environment that supports the best learning strategies for all students.

Length of Workshop: 1—2 hours

Price: \$200 + expenses

Presenter: Pat Allen, Retired - NSU College of Education

Title: Effective Change at Your School

Description: In light of No Child Left Behind, change is a given. Too often the changes are not effective and take their toll in the temporal, financial and psychological areas of the educational arena. The presentation will clearly delineate how effective change can occur.

Length of Workshop: Varies

Price: \$250.00 Long term support: negotiable

Presenter: Dr. Dawn Yonally - Assistant Professor NSU College of Education

Title: PowerPoint Basics for the Classroom

Description: PowerPoint makes it easier to organize, illustrate, and deliver your ideas. Whether you're conducting a class or presenting at a conference, PowerPoint graphics provides the tools you need. The use of PowerPoint in the classroom can enhance student learning by appealing to their visual and auditory learning styles. The seminar covers use of style, content arrangement, and design along with practical hints and tips.

Length of Workshop: Varies

Price: \$250.00 + expenses

Presenter: Rick Shelton – NSU Center for Teaching and Learning

Title: Expanding the Classroom: To Infinity and Beyond

Description: Technology today can quickly overtake a classroom with its complexity and the endless options. This seminar will address three key issues relevant to using technology intelligently in the classroom: how do we make sense of it all, what's good about it, and what's the downside? We'll take a brief look at a variety of popular media including websites, podcasts, and online video.

Length of Workshop: Varies

Price: \$250.00 + expenses

Presenter: Rick Shelton – NSU Center for Teaching and Learning
