

## Projects 2008

| Principal investigators |          | Advisor      | Title   |
|-------------------------|----------|--------------|---|
| Mayes                   | Kluttz   | West         | Effect of Head Turn on Perception of Gaze   |
| Crissup                 |          | DeRosier     | The Effect of Plus Lenses on the Magnocellular System   |
| Newton, R               | Suttle   | Miller       | The Efficacy of Preservatives in Preventing Bacterial Contamination of Multi-dose Artificial Tears                        |
| Newton, A               | Dawson   | Castillo     | Comparison of Radiofrequency Therapy to Other Skin Rejuvenation Techniques  |
| Morgan                  | Schulz   | Wyatt        | Optometry Course Podcasts   |
| Kirby                   | Otte     | Carr         | The Performance of Three Different Keratometric Instruments on Normal Human Corneas                                       |
| Brunk                   | Fielding | McKee, E     | Comparing Visual Reaction Time between Moderate Alcohol Consumption and No Alcohol Consumption                            |
| Scantling               |          | Edmondson, W | Masking Astigmatism with Soft Contact Lenses  |
| Berger                  | Head     | Salmon       | Effect of Instillation of Artificial Tears on Aberrations of the Human Eye  |
| Rein                    | Scott    | Pack         | Subjective Comparison of Daily Disposable Contact Lenses: Proclear 1-Day and Focus Dailies with AquaRelease               |
| Bennett                 | Waldroop | McKee, A     | Measuring New Patient Appearance Rates Following the Use of a Scripted Telephone Receptionist Message                     |
| Womack                  | Summers  | Miller       | The Microbiology of the Eye and How Contact Lenses and Their Solutions Affect the Eye's Ability to Fight Ocular Pathogens |
| Randall                 |          | Welch        | The Effect of Non-Steroidal Anti-inflammatory Drugs on Patients Using Prostaglandin Analogs to Lower Intraocular Pressure |
| Nwachukwu               |          | Welch        | Effect of Sleep Apnea on the Visual System  |
| Clagg                   | Crum     | DeRosier     | Expanding the Scoring Norms of the Developmental Eye Movement Test for Children Age Fourteen and Older                    |
